

FIX-N-FAX #5

CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION

Number 5

Mandatory Compliance

Revised: March, 2000

FIRE PUMP ACQUISITION

Ordering Procedures for Fire Pump Exchange:

- Orders for pumps from Davis Equipment Facility (DEF) will be accepted on an exchange basis through the Unit Fleet Manager.
- A charge for each pump will be transferred by MRT.
- All orders shall be confirmed with a fax copy of a completed MRT prior to shipment.
- All "Will Call" orders require an original copy of a completed MRT, with coding, before loading.
- For prices and MRT instructions, reference page 3 of this Fix-N-Fax.
- Following information shall be included on MRT:

CDF ☐ X ☐ LICENSE # <E> CDF MODEL #:

YEAR MODEL PUMP MODEL PUMP ROTATION

- Orders for parts only, shall follow the same procedures. Parts only orders shall be limited to items not available elsewhere, such as housings, impellers and shafts. Items such as seals and bearings are generally available through local suppliers.
- Return exchange pump immediately to DEF.
